DINING SERVICES

The best way to a person's heart is through great food! At The Rehabilitation and Wellness Centre of Dallas, our dining services team works hard to provide both a delicious and appealing menu to our patients! Each menu item is prepared with the freshest and highest quality ingredients available.

Emphasis is placed on healthy and appealing choices for everyone. Meals are served in our gracious dining room where patients can share a warm and comfortable social environment or in their room, if it is more comfortable.
